**Financial position of the State of West Bengal as on the 31st March 1984 with special reference to its Public Debt and the value of assets created.**

The object of this statement is to explain the financial position of the State of West Bengal with special reference to its public debt and the value of assets created. It is therefore based on the latest available accounts of this State for the year 1983-84 as compiled by the Accountant-General, West Bengal.

2. According to the accounts for 1983-84, compiled by the Accountant-General the total figure for the Public Debt of the State at the end of the year 1983-84 is Rs. 33,73.86 crores, while the net liability of the State is of the order of Rs. 20,94.36 crores, as indicated below :—

		[In crores of rupees]			
Assets.		As on 31-3-84.		Liabilities.	
				As on 31-3	
Loans and Advances—		14,82.63		Public Debt .. ..	33,73.86
Balance—				Contingency Fund .. ..	18.8
				Small Savings, Provident Fund, etc. ..	1,97.0
				Reserve Funds .. ..	46.1
Investments .. ..	5.36			Deposits and Advances .. ..	2,48.6
Cash .. ..	(—) 4.89			Suspense and Miscellaneous .. ..	(—) 33.0
				Remittances .. ..	(—) 2,54.1
Total ..	14,83.10			Total ..	33,77.0

Net Liability—Rs. 20,94.36

3. Against this net liability, the State Government have created assets of the value of Rs. 14,72.72 crores, according to the accounts of capital outlay compiled by the Accountant-General. These cover the assets owned by the Government of a Capital nature in the shape of Irrigation Projects, Civil Works, Multipurpose River Schemes, Schemes of Agricultural Improvement and Research, Industrial Development, Road Transport, Housing Schemes, etc. This total of Rs. 14.72 crores includes Rs. 1,49.69 crores invested in schemes of commercial concerns, Co-operative Societies, etc. but excludes various physical assets of the State, such as Lands, Buildings, Communications, etc., which were created out of the State revenue and for which no running account has been maintained.

4. It will be shown in the following paragraphs that the value of assets, such as Office Buildings, Hospitals, Educational Institutions, Roads and Communications, etc., etc., which have been left out of the Accountant-General's calculation of assets, as stated above, would more than cover the gap of about Rs. 6,21.61 crores between the net liability of Rs. 20,94 crores and the value of the assets already created of the order of Rs. 14,72.72 crores as per the Accountant-General's accounts. It will also be shown that the loans raised by the State Government from the market or from the Government of India have all been spent in creating assets and that proper arrangements have been made for servicing the market loans.

5. Utmost care has been taken to ensure that the assets already taken into account by the Accountant-General in his accounts for 1983-84 are omitted from the list of new assets contained in the statement included in this note.

6. Financial stability of a State largely depends on the steady growth of revenue to meet the increasing expenditure under the expanding economy of a developing State and on new capital formation for starting productive schemes to create additional wealth.

Though the State of West Bengal became one-third of its former size of undivided Bengal by the Partition, the economy of the new State had a remarkably steady growth since the Partition (vide the Table of "Financial Trend," Statement of Revenue expenditure increased from Rs. 29.10 crores in 1948-49 to Rs. 17,39.30 crores in 1983-84, while revenue receipts increased steadily from Rs. 31.77 crores to Rs. 15,33.13 crores during the same period to meet the increasing Revenue expenditure. On the other hand, in the early post-Partition years, capital expenditure was of the order of about Rs. 7 crores while the corresponding figure for 1983-84 is about Rs. 1,92.19 crores including the capital outlay on schemes of Government trading. Thus, the receipts and expenditure under both the Capital and Revenue heads have almost steadily increased from year to year.

7. There are doubts in the minds of some people that heavy debts are being incurred by the State Government for finance capital expenditure, which will eventually result in the deterioration of the economy of the State. It should be remembered that every State has to raise loans to meet capital expenditure and the need for fresh capital is always pressing in any developing country. There are many items of capital expenditure, the benefits of which are to be realised and enjoyed by successive generations. It is, therefore, proper that all such schemes should be financed from loans, the responsibility for the repayment of which would lie on the people in future.

8. There is no cause for anxiety in raising loans so long as there is an adequate provision for servicing them and the loan money is judiciously utilised in productive schemes and in nation-building enterprises. We should closely examine this point in respect of the loans raised by this Government. In doing so, we cannot do better than quote from the accounts compiled by the Accountant-General, West Bengal.

9. In the latest available accounts, referred to above, i.e., for 1983-84 the Public Debt of this Government has been shown as Rs. 33,73.86 crores of which Rs. 29,51.01 crores is from the Central Government, Rs. 2,45.83 crores from the open market, and Rs. 1,77.02 crores from other sources.

10. The market loans were raised in the past several years for meeting a part of the capital expenditure on various development schemes including the following :—

- (i) Development of State roads ;
- (ii) Road Transport scheme ;
- (iii) Kanchrapara area development scheme (Kalyani Town) ;
- (iv) Durgapur Coke Oven, Gas Grid and Power Plant Projects
- (v) Kangsabati Reservoir Project ;
- (vi) Slum clearance, Housing and Industrial schemes ;
- (vii) Electricity schemes of State Electricity Board ;
- (viii) Calcutta Metropolitan District Development Schemes, etc.

As regards these market loans, contribution to the Sinking Fund for the amortisation of the loans is being made besides contributing a sum equal to 1½ per cent. of the total nominal amount of the loan to form a Depreciation Fund for purchasing the securities of the loans for cancellation. Out of the total market loans of Rs. 1,97.93 crores, at the beginning of the year 1983-84, loans amounting to Rs. 14.79 crores were repaid in 1983-84. From this it is clear that proper arrangements have been made for servicing the loans. The total net charge on the revenues of the State during 1983-84 on account of service of debt was of the order of Rs. 1,89.83 crores.

11. Out of the loan of Rs. 29,51.01 crores taken from the Central Government, Rs. 11,65.29 crores represents the State's share of Small Savings collections and Rs. 4,14.43 crores represents a central loan to cover gap in resources. The balance of Rs. 13,71.29 crores has been utilised mainly for the following items :—

I—Pre-1975-80 loans— (In crores of rupees)

Agricultural production and allied schemes, Industrial development, Community development, Co-operation and National extension Service Scheme, Miscellaneous development schemes, Major irrigation and multipurpose river projects, Housing Schemes, Rehabilitation of displaced persons, Water Supply and drainage schemes, Calcutta Metropolitan District Development Scheme, etc. upto 31-3-86 718.37

II—Post-1975-80 loans (After 31-3-80)—

1. Agriculture, Manures and Fertilisers	..	..	..	..	..	..	4.65
2. Industrial development	..	..	..	..	..	..	8.35
3. Co-operation	..	..	..	..	..	..	1.98
4. Road Transport and Water Transport	..	..	..	..	..	..	0.33
5. Minor irrigation, Soil Conservation and Area Development	..	..	..	..	..	..	2.43
6. Housing schemes	..	..	..	..	..	..	2.60
7. Rehabilitation of displaced persons	..	..	..	..	..	..	1.14
8. Roads and Bridges	..	..	..	..	..	..	45.65
9. Calcutta Metropolitan District Development Schemes	..	..	..	..	..	..	2.80
10. Education	..	..	..	..	..	..	0.50
11. Irrigation, Navigation, Drainage and Flood Control Works	..	..	..	..	..	..	5.59
12. Other Schemes	..	..	..	..	..	..	0.12
13. Development Schemes under Plan	..	..	..	..	..	..	5,79.50
							13,71.29

12. The total value of the works of non-commercial nature done by different agencies up to 1982-83 since partition (debited to Revenue Heads and Capital Heads) is given below :—

					[In crores of rupees.]
(1) Public Works Department	..	..	..	..	286.29
(2) Public Works (Roads) Department	..	..	..	..	238.14
(3) Construction Board	..	..	..	..	117.11
(4) Public Health Engineering Department	..	..	..	..	171.75
Total					8,73.32 [vide Statement II]

Out of this amount of Rs. 8,73.32 crores, the Accountant-General has taken into account about Rs. 2,97.06 crores only under Capital Outlay on Public Works, Housing, Roads and Bridges to arrive at the Capital assets amounting to Rs. 14,72.72 crores mentioned in paragraph 3 above. If the balance of Rs. 576.26 (viz. 873.32—2,97.06) crores is added to Rs. 14,72.72 crores, the total assets already created come to about Rs. 20,48.98 crores against the outstanding liability of Rs. 20,94.36 crores.

13. Besides the agencies mentioned above, through which Rs. 8,73.32 crores worth of capital works were done, various Departments created assets themselves without going through agencies. Thus, the Education Department itself created assets worth of Rs. 1.58 crores approximately up to 1982-83 mostly by giving grants to various institutions and acquiring properties for development of educational institutions as stated below :—

					[In lakhs of rupees.]
(1) Grants to Primary and Basic Schools including Basic Training Colleges	..	..	..	..	50,12.74
(2) Grants to non-Government Secondary Schools including Higher Secondary	..	..	..	..	49,52.31
(3) Grants to Colleges and Universities	..	..	..	..	21,88.70
(4) Grants to Technical and Research Institutions	..	..	..	..	15,52.11
(5) Grants under Social and Cultural Education including Youth Welfare and Physical Education.	..	..	..	..	13,23.41
(6) Other Schemes	..	..	..	..	6,66.48
(7) Properties acquired by the Education Department for establishment of Day Students' Homes, permanent exhibition, library, research centre and other educational institutions up to 1971-72	..	..	..	..	1,14.47
Total					1,58,10.28 (vide Statement III)

14. Besides the Education Department, many other Departments also created assets, the cost of which was debited to the Revenue heads of accounts and, as such, has not been included in the Accountant-General's calculation of Capital assets, as they generally take note of expenditure booked under Capital heads only. The values of these assets booked under some of the Revenue heads are given below. Even assuming, at a very conservative estimate, that the Famine Test Relief works (the last item in the list below) produced assets at half the value of the amounts spent, it would be clear from the statement below that additional assets worth about Rs. 4.39 crores are lying booked under Revenue heads, not included in the calculation of assets by the Accountant-General :—

					[In lakhs of rupees.]
Medical—Medical equipment and appliances supplied to hospitals etc.	..	..	..	..	64,74.15
Agriculture—Animal Husbandry including Milk Schemes	..	..	..	..	2,59,58.35
Land Revenue—Assignment and compensations relating mainly to Estates	..	..	..	..	9,60.16
Acquisition	..	..	..	..	50,00.72
Forest—Expenditure on afforestation and other schemes of Forest Development	..	..	..	..	45,74.20
Famine Relief—Miscellaneous—Test Relief*	..	..	..	..	45,74.20
Total					4,38,76.58 (vide Statement IV)

\*The total expenditure under this head was Rs. 91,48.40 lakhs; half of this amount has been taken as the value of assets created.

15. These, again, have not taken into account the various other assets like launches, vans, pickups, ambulances, staff cars, etc., possessed by various Departments such as Irrigation, Police, Medical, Education, Industries Departments etc. Plant and machinery of the West Bengal Government Press, the Industries Department, etc., also have not been taken into account in these computations.

16. It would thus appear that the outstanding liability of Rs. 20,94.36 crores of the State is more than amply covered by the assets already created by the Government.
